

Mathématiques : numération. (1 et 2) (PS)

Colle dans chaque enclos le nombre de girafes demandé.

The worksheet contains 10 empty ovals arranged in a grid-like pattern. Each oval is connected to a small square box containing a number (1 or 2) by a thin line. The boxes are positioned as follows:

- Top row: Box '1' on the left, Box '2' in the middle, Box '1' on the right.
- Middle row: Box '2' on the left, Box '2' in the middle, Box '1' on the right.
- Bottom row: Box '1' on the left, Box '2' in the middle, Box '2' on the right.
