

Mets dans chaque boîte autant de pommes que d'animaux.

				
<hr/>				

				
<hr/>				

Mets dans chaque boîte le nombre de pommes demandé par l'animal

 5	 2	 4	 3	 6
--	--	---	--	--

 3	 2	 5	 1	 5
--	--	--	--	--

pommes à découper pour mettre dans les boîtes.

On peut aussi utiliser du matériel plus manipulables comme des perles rouges ou boules de cotillons.
