The crossword puzzle grid consists of orange-outlined squares. The starting points for words are indicated by arrows pointing to specific squares:

- A witch flying on a broom points to the first square of a horizontal word.
- A green frog points to the first square of a vertical word.
- A black beetle points to the first square of a vertical word.
- A broom points to the first square of a horizontal word.
- A boy points to the first square of a horizontal word.
- A yellow castle tower points to the first square of a horizontal word.
