

Commencer à écrire des mots simples en suivant le code

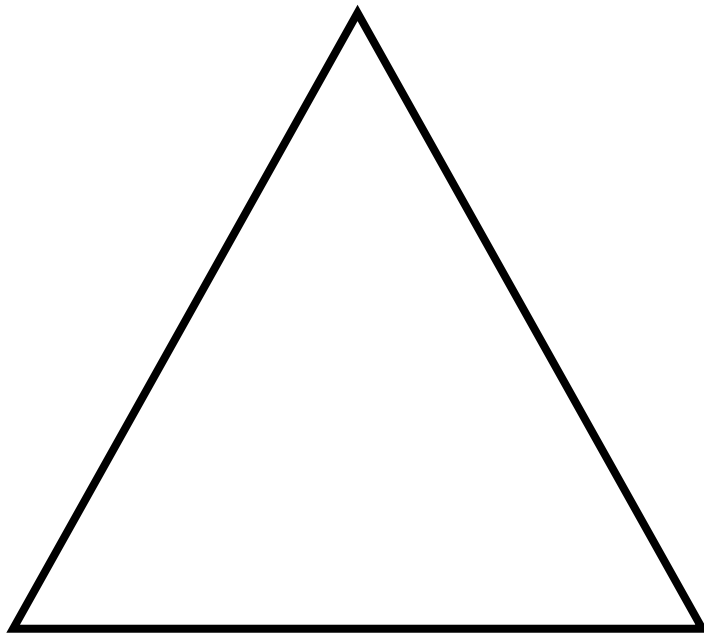

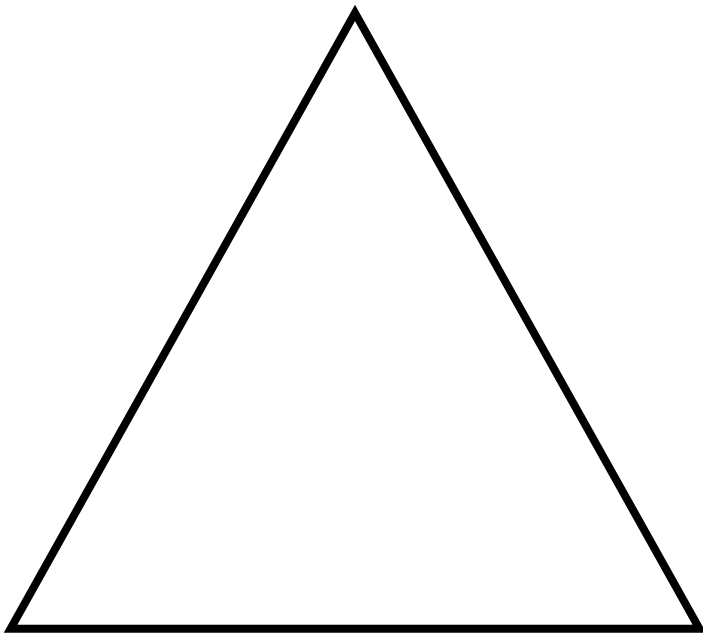

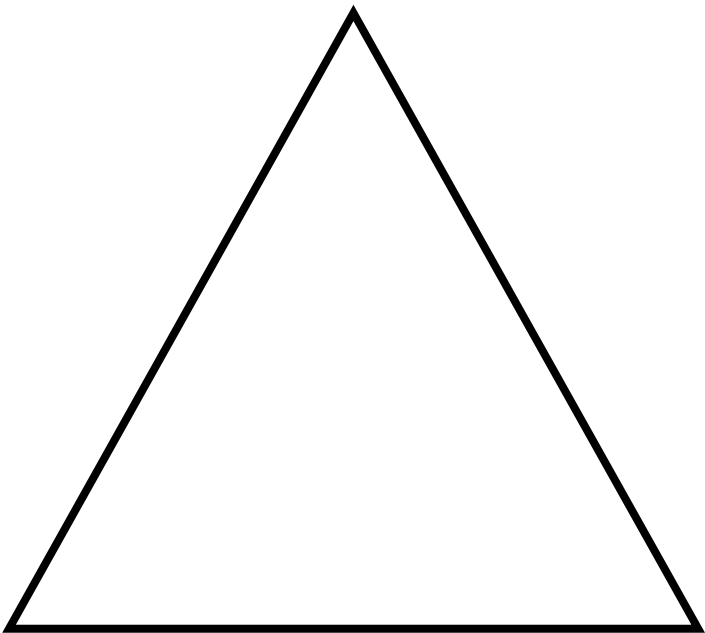

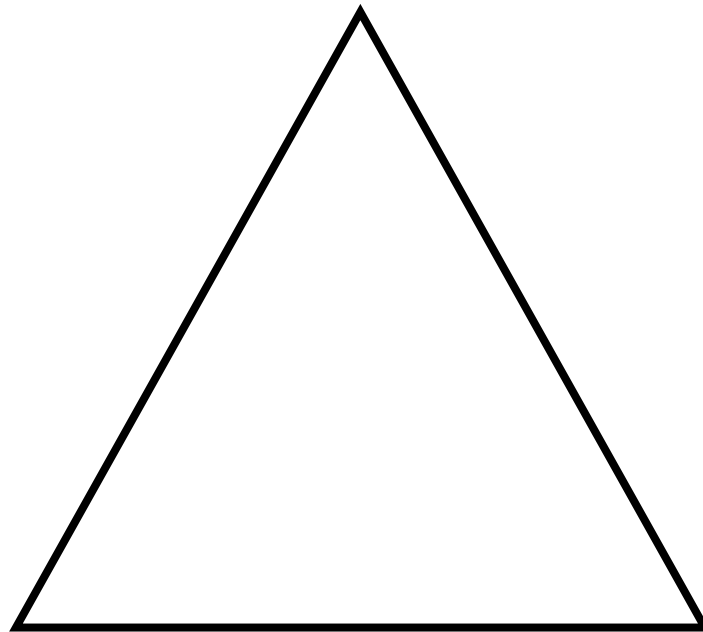

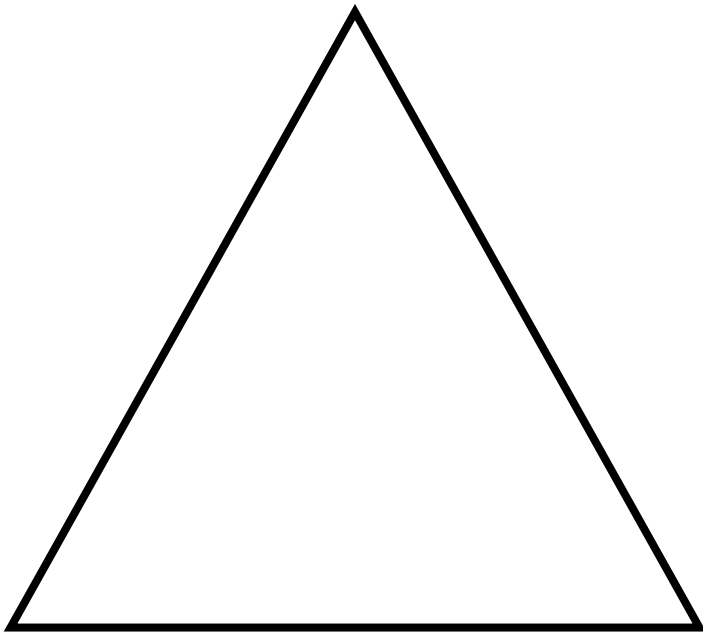

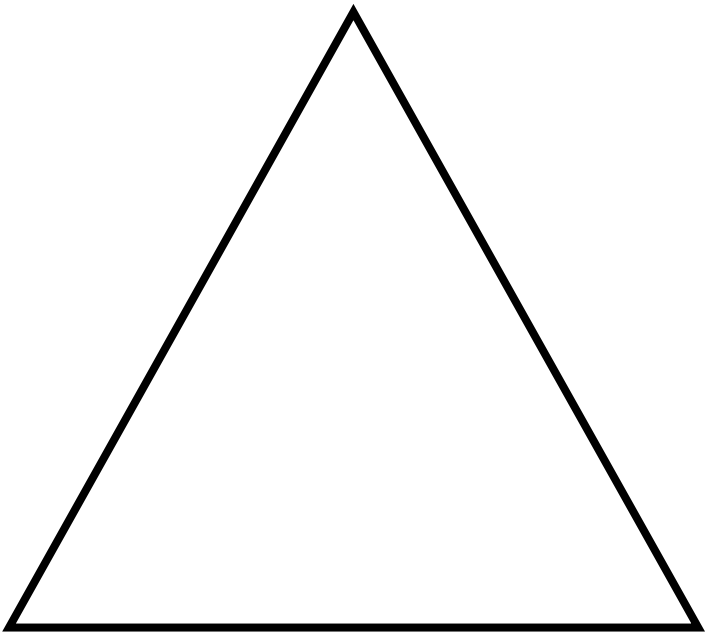

La ligne brisée : travail préalable avec de la pâte à modeler à faire sur une feuille A3

 <p>The diagram in the first cell shows a zigzag line. It starts with a solid line segment sloping downwards from the top-left towards the center-right. This is followed by a dotted line segment sloping upwards from the center-right towards the bottom-left. Finally, it ends with a solid line segment sloping downwards from the bottom-left towards the center-right.</p>

Le loup

La forêt

Reconstituer les personnages du petit chaperon rouge d'après Rascal :

Pour le petit chaperon rouge:

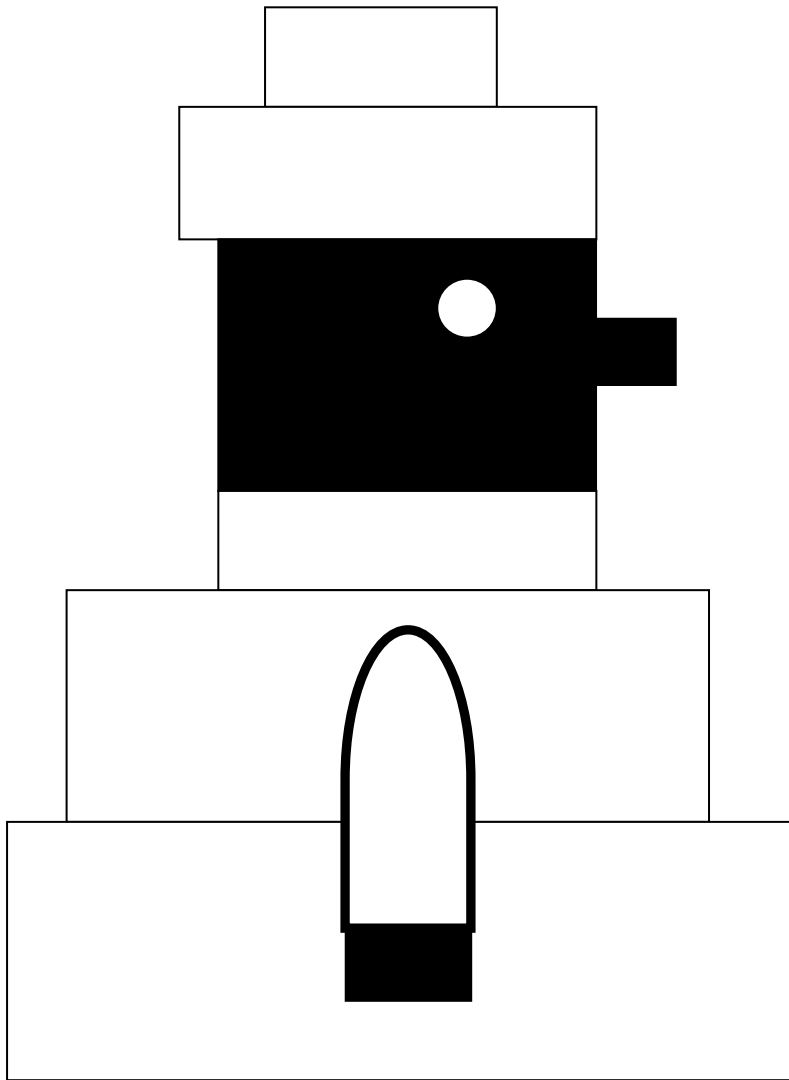

- . observe les illustrations du livre puis
- . colorie à l'encre rouge
- . découpe les formes

Pour le loup:

- . reconstitue la tête
- . dessine le corps

Pour la forêt:

- . avec des craies grasses colorie les sapins en vert, jaune et bleu  
= triangles et rectangles et formes cylindriques (troncs coupés)
- . colorie-les avant de découper.

Le chaperon rouge
